Chuck, Just a note to tell you how impressed we were with the golf and following "tailgate and games". It is truly exciting to see a Board of Directors, Superintendent, Club Manager and great members support a asset to the community as is the Country Club.... Members mean so much, and it was very obvious the commitment they made by donations and participation in this event. You and all the staff of Wamego Country Club should "pat yourselves on the back" for having such an event that builds a strong club and membership. Please tell all involved "Thank you".— Leigh and Connie Poston

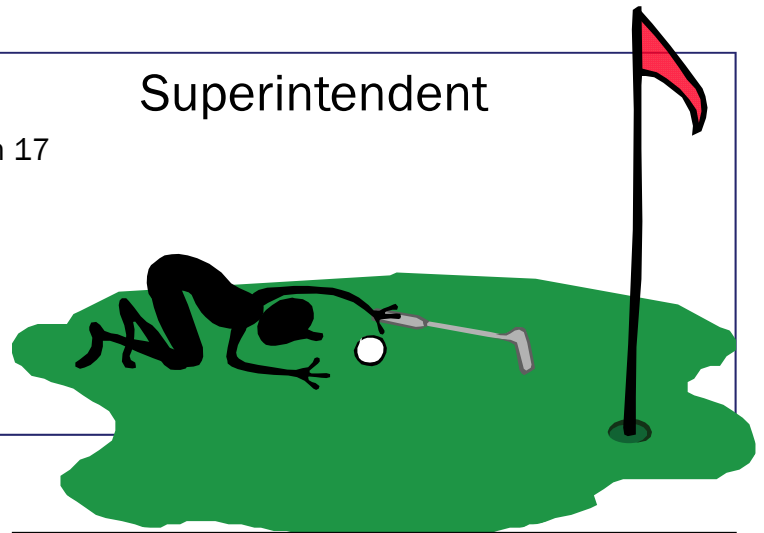

Recently submitted online in reference to our 27-hole 2-man scramble hosted September 23rd.

"To Whom It May Concern: I wanted to take this opportunity to tell you my partner (Brian Cole) and I had a great time in your event yesterday (27 hole tournament). We really enjoyed the course, and look forward to playing in not only that event again next year but

also other events as well. We did not play as well as we would have liked in the alternate shot format, but that's just golf. Thanks for having us."

Congratulations to the WCC membership and others in the community for a job well done!

The Green Committee would like to express our sincere thanks to everyone for the wonderful support given to the benefit tournament activities this past weekend. Your generous support through volunteering, participating, donating auction and raffle items, and money was unbelievable. The auction was a BIG success and the number of raffle prizes was astounding. Having so many folks at the tail gate party was unbelievable and the weather couldn't have been better.

When we get all the numbers/results together we will provide a more detailed report. Again, thanks for stepping up big time to support the needs of the WCC. Please offer your appreciation to those in the community that supported this effort.

Thank you.
