New Cart Path Now Open!

Note of Caution:

To enable new grass to grow nicely along the sides of the paths, please use the designated entrance and exit areas with mats.

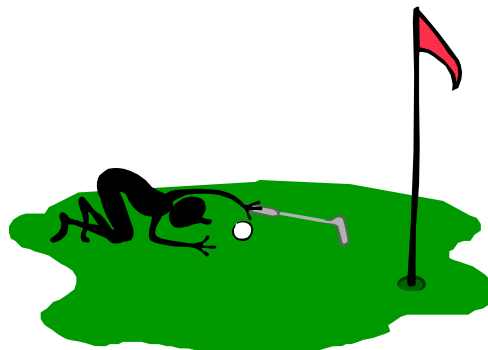

The new practice green is planned to be open on May 1st. This is a great addition and the staff asks that you help keep it in shape by correctly fixing any ball marks.

Aerification is to begin on the course this week. Although it is a pain, keep in mind it breaks up the soil allowing the grass to breath and spread also allowing water to drain avoiding diseases.

The course is in great shape - Thanks Trampis/Staff

Superintendent
