New Teeboxes Open

The new red tee on 3, white tee on 4, and blue tee on 8 are now open. These tees are a little hard right now, but they should soften up as the year goes on. We will aerify these tees to help soften them up.

New Sand and Seed Bottles

We have added 15 new sand and seed bottles on holes 9,11,13,14,16. They are placed in the courtesy cut on the side of the hole away from the cart path for your convenience.

Who Has the Right of Way on the Course?

As the weather warms up, I know that a quick 9-holes after work seems like the best relaxation in the world.

Players who are coming off #8 to #9 always have the right of way to members wishing to play the back 9 only. Also, players coming off of #17, have the right of way to members playing the front 9.

Please be sure to check in at the clubhouse to make sure that it is alright to start on the back 9.
