WCC **Turfgrass** **Maintenance**

The maintenance staff has begun ripping out the cart paths in preparation of the bridge installations. We will also be grading the bottom of the ditch on #8 to eliminate standing water. You will also see piles of dirt on the course this winter, these piles will become new or reconstructed tee boxes. Just a reminder to keep using the sand and seed as it will germinate in the spring.

Course Reminders:

- No sunflower seeds
- Dispose of cigarettes and cigars
- Properly repair ballmarks
- Fill divots with sand and seed
- Pick up broken tees
- Observe cart rules and signs
- Cart Path only on 2,6,9-17
