## **WCC Turfgrass Maintenance**

The maintenance staff will be aerifying the new nine fairways and #6 fairway. The tines we will be using will pull a core of soil out of the ground, we will be picking the cores up. This process will be started once the temperatures fall into the mid 70's. We have seeded the tee boxes on the new nine with bentgrass, some tees may be closed for a period to allow them to fill in.

### Course Reminders:

No sunflower seeds  
Dispose of cigarettes and cigars  
Properly repair ballmarks  
Fill divots with sand and seed  
Pick up broken tees  
Observe cart rules and signs  
Cart Path only on 2,6,9-17
