**2010 Patriot  
Golf Day**  
September 3rd-6th

Sparked by the vision of Major Dan Rooney, a former Kansas University golfer, an F-16 fighter pilot, and PGA Golf Professional, Patriot Golf Day has helped raise more than \$5 million over the past three years for scholarships that have been awarded to spouses and children of our military men and women killed or disabled while serving our Great Nation.

This Labor Day weekend WCC will be asking for your help in contributing to this great cause. Golfers will be asked to give a minimum of a \$1 donation to the Folds of Honor Foundation.

In addition to those donations, Derek will be scheduling half hour lessons from 11-5 on Friday, September 3rd for \$40 per lesson and donating all proceeds to this worthy cause.

WCC would like to thank you advance for helping give back to those who have given so much.

## Square Grooves Are Almost A Thing of the Past Get Them While You Can!

As many of you know wedges with square grooves can no longer be produced by any company after December 31, 2010. They will however, still be legal for amateur golfers to use until 2024. Titleist and Cleveland are projecting a huge rush on wedge orders at the end of the year so now is the time to get yours before it's too late! WCC offers a great selection of Cleveland and Titleist Vokey wedges and a Titleist Certified Fitting Professional to help you find the proper length, lie, loft and bounce options to fit your game.

WCC will be seeding our tee boxes following a very aggressive aerification. There will be some combined tees and some temporary tees used until the seed germinates. Fall Aerification is just around the corner, our greens will be aerified on the 13th and 14th of September. Nine holes will be open for play each of these days. Fairway aerification will follow in late Sept. and early Oct.
