### New Committee

WCC is currently forming a new committee for the long term planning of WCC. In order to volunteer for this committee you must be a past President of WCC.

The committee will be responsible for taking new ideas and suggestions to the Board and contributing to an overall long term plan for the Club.

If you are a past President and interested in being a part of this committee please contact Ray Thompson.

The WCC Clubhouse will be closed New Years Day

Members that would like to be added to the Wamego Country Club email list, or make changes. Please send an email to [wcc@wamego.net](mailto:wcc@wamego.net)

The maintenance staff has begun ripping out the cart paths in preparation of the bridge installations. We will also be grading the bottom of the ditch on #8 to eliminate standing water. You will also see piles of dirt on the course this winter, these piles will become new or reconstructed tee boxes. Just a reminder to keep using the sand and seed as it will germinate in the spring.

## Start the Year Fresh with a Set of New Grips

Having grips that are worn and slippery can make the club hard to control for even the most skilled golfer. They also cause the player to grip the club tighter which increases tension and doesn't allow you to release the club properly.

With the wide range of grips on the market today you can fully customize your grips to your needs. You can choose the size of grip you prefer, the texture you like and even the color.

WCC has a wide selection of grips and from now until the end of February we will be offering

# 15% OFF

all regrips

If we don't have what you're looking for we can order it!

### **WCC Turfgrass Maintenance**

### Course Reminders:

- No sunflower seeds
- Dispose of cigarettes and cigars
- Properly repair ballmarks
- Fill divots with sand and seed
- Pick up broken tees
- Observe cart rules and signs
- Cart Path only on 2,6,9-17
